Alexandria, VA 22313-1450

AMENDMENT

Sir:

Please amend the above identified application as follows:

naked eye, but rather requires the medical scope for viewing that location. Such location might, for example, be the bile duct or the pancreatic duct as defined in dependent claim 22. In contrast, in Schaaf the device is being used for improving drainage within the eye. Claim 23 relates to procedures which differ from Schaaf.

In view of the above remarks and amendments and in view of the remarks and amendments in the prior amendment this application should be passed to issue.

Respectfully submitted,

Connolly Bove Lodge & Hutz LLP
